Dear Ms. Sharma,

I would like to inform and appreciate the work of your students; Sushma Joshi and Subramanya. S. Kadekar who did their Internship in Holiday Inn Pune Hinjewadi for 3 months. During the three months of their internship, they have proven their abilities to handle the situation professionally. Their approach towards the work was with full sincerity and honesty.

Sushma Joshi has shown her full dedication towards the work and the "To Do Attitude" of her has been the best. She has been a huge support to the department and has never behaved as an Industrial Trainee. Her communication skills and the confidence towards the work has been remarkable. We have received some good feedbacks from guests for Sushma for her work. I will call her a Smart Worker rather quoting her as Hardworking Trainee.

Subramanya Kadekar has been the most disciplined intern during his tenure. He has shown the interest and keenness to understand and learn everyday. He has shown a lot of sincerity in his Internship. The best part of him is that he has been very friendly with the employees and he shares a good bonding with them. Subramanya has always shown "Yes I Can Attitude" towards any task assigned to him.

I will like to congratulate you and your college that you have students like Sushma Joshi and Subramanya Kadekar who portray truthful dedication towards work.

It will be an immense pleasure for me to work with them in future.

I will like to wish them luck and success in their career and want to thank you for sending such remarkable and outstanding students for the Internship to Holiday Inn Pune Hinjewadi.

We have received some good feedbacks from guests for Sushma for her work. I will call her a Smart Worker rather quoting her as Hardworking Trainee.

Subramanya Kadekar has been the most disciplined intern during his tenure. He has shown the interest and keenness to understand and learn everyday. He has shown a lot of sincerity in his Internship. The best part of him is that he has been very friendly with the employees and he shares a good bonding with them. Subramanya has always shown "Yes I Can Attitude" towards any task assigned to him.

I will like to congratulate you and your college that you have students like Sushma Joshi and Subramanya Kadekar who portray truthful dedication towards work.

It will be an immense pleasure for me to work with them in future.

I will like to wish them luck and success in their career and want to thank you for sending such remarkable and outstanding students for the Internship to Holiday Inn Pune Hinjewadi.

Thanks and Regards,
